

**Juda Fore Fathers
Scholarship Application
2017-2018**

Scholarship awards serve two equally valuable purposes: recognition of merit and achievement, as provision of financial support. As a general rule, scholarships of \$250 are the minimum given when the most important goal is to award achievement rather than impact financial support and aid. Conversely, scholarships of \$1000 are generally the maximum given when the most important goal is to supply aid. Most scholarships fall between these two parameters.

Scholarship funds are most likely to serve as an aid or achievement function and should therefore be evaluated in a competitive context by a selection committee. Scholarship funds are most likely to recognize concrete achievements during a student's career and may also permit students to continue their education when financial resources might not otherwise permit them to do so.

In recognition of the criteria specified in its mission statement, the Juda Fore Fathers Scholarship Committee seeks to award its scholarship funds in a manner that all of the following is considered in the aggregate pool of scholarship applicants.

Two separate \$500.00 scholarships will be awarded to two high school senior students living in Green County and or is enrolled in a school within the Six Rivers Conference (Albany, Argyle, Barneveld, Blackhawk, Brodhead, Juda, New Glarus, Monroe, Monticello, Pecatonica). Two different schools will be selected each year to participate. The successful applicant will be selected on Community Service, Extracurricular Activities, Academic Merit with a GPA up to 3.75, Financial need. Scholarship applications may be picked up at participating high schools. The information contained herein will be reviewed by a five-member scholarship committee and will remain confidential.
