

TO: High School Seniors

FROM: Green County Fall Nationals

RE: Scholarship Opportunity

The Green County Fall National Truck and Tractor Pull was organized in 2007. It was organized to be a one-time event but was so successful that we were able to host the 11th annual pull in September. It is a family run event which has approximately 30+ volunteers assisting as well as over 125 local sponsors who financially back the event.

Proceeds above and beyond what is needed to run the event are given back to the community to benefit families/individuals in need. We have also been able to financially assist numerous community programs that are either in place or needing to be started.

Since GCFN is a community focused organization, it was decided in 2014 to offer a scholarship to a graduating senior who demonstrates extraordinary areas of service to his/her community. While GPA is important, we feel it is also extremely important that young people give back to others without expecting financial reimbursement.

With this mission in mind, GCFN is offering a \$500.00 scholarship to be presented to a deserving graduating senior who excels in the area of community service. The student must be accepted in a university/college in order to apply for this scholarship. Money will be collected after the first semester is completed and proof of completion is provided, along with transcripts. The student must contact the organization in order to receive their check.

If you have any questions regarding the application form/process, please contact Jill Klossner at Klossner@tds.net or 608-214-4622.
