

## 2018 Scholarship Program

**4 Scholarships Available!**

Tyler's TEAM Foundation, Inc. was founded in 2013, in memory of Tyler Pierce, with the mission to assist in promoting the awareness of suicide. Tyler was a victim of suicide in March of 2011. A young, loyal member of the Juda community, Tyler chose to make a decision his friends and family would unfortunately have to live with. Just months later, several members of the community, bound by the same common objective, came together to draw from the positives of this extremely unfortunate situation—to give back to the community that has supported us so well, as we handle the loss of this great young man. Forming what eventually grew to become Tyler's TEAM Foundation, Inc., the friends and family of Tyler Pierce sought to memorialize his life while raising funds, which would be used to promote suicide prevention and awareness in Green County. Our organization continues to grow, as we gain support every day. Hoping that one day, no one has to go through what Tyler went through, we constantly strive to grow and improve this organization by gaining resources, networking, and ultimately, giving more back to the community.

Tyler's TEAM Foundation, Inc. announces the 2018 **Tyler Pierce Memorial Scholarship Awards Program**.
