

Permission for Local Field Trips

Many field trips planned for students include destinations within the Monticello area and Green County. These local field trips may involve walking to the destination or riding on the school bus.

Your signature below will indicate your permission for your child to participate in local field trips sponsored by the school. Prior to each local field trip, you will be notified of the date and location, but you will not need to sign an additional permission slip.

Permission for field trips outside the Monticello area or outside of Green County will be requested directly by your child's teacher specifically for that event.

Please note that we must have a completed permission slip on file for your child before he/she is allowed to participate.

I hereby grant permission for my child, _____,

Grade _____ to participate in any local field trips sponsored by the School District of Monticello.
