

Catering

Taher offers a great catering program...I've attached a copy of our current catering menu. In addition to the established catering menu, I can also work with you on any special orders or requests.

All proceeds from catered events support the School District, not Taher...the district gets all the money back. I hope that you will keep us in mind for all of your future events.

Please feel free to contact me at any time with questions or comments.

Thanks!
