## Pony News

March 2023 

Monticello's Values Grow World Ready Citizens

We are excited to share some updates with you about the ongoing planning of projects at our school this spring and summer. Our bus garages are set to begin construction in the coming weeks, which will provide a more productive, safer and secure area for our buses, bus maintenance, and drivers. We are so proud to own our buses and to be able to control the efficient transportation of our students to and from school. We believe that having the ability and space to improve maintenance on our buses will ultimately increase their longevity and help our overall transportation budget.

We are also making planning progress with the construction and remodel of our new technology education shop, which will provide our students with hands-on experience in STEM-related fields. Our students will have access to state-of-the-art equipment and resources, which will help them to develop valuable skills for their future careers.

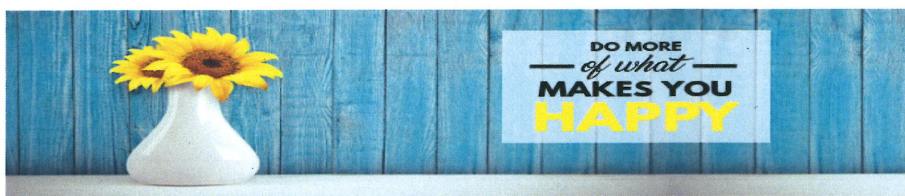

In addition, we are excited to announce that we are closing in on our remodeling plans for six of our elementary classrooms and a teacher workroom. New flooring and cabinetry will freshen and create a more comfortable and modern learning environment for our youngest students, which will in turn, enhance their learning experiences.

We would also like to update the community about the progress of our newly forming 8-person football team and field planning. We have formed a committee and various groups are working on essentials like fundraising, field preparation, marketing, and equipment purchasing. If you are interested in being a part of our committee, please reach out to AD Schwartzlow or plan on attending our next meeting at 5:30 pm on April 5 in the high school collab lab. We are excited for our students to have a new Pony sport and space to engage in school pride, physical activity, and teamwork.

Lastly, we would like to take this opportunity to express our gratitude to the community for their support through the recent August referendum. Your support has enabled us to continue to improve our school's facilities and provide our students with a top-notch education.

Thank you for your ongoing support and dedication to our school community. We will continue to update you as these projects progress.

Sincerely, Mr. Brokopp

## DAY OF SERVICE 2023

We are very excited for the return of our Day of Service. This year, our students in all grade levels will be offering their time volunteering for our community on April 21<sup>st</sup> (bad weather date Monday, April 24<sup>th</sup>).

If you, a family member, your business, or an organization that you are a part of would have a job that would be appropriate for our students to assist you with on this day, please contact the district office at 608-938-4194. Some things that our students may be helpful with would be simple yard work or clean up, moving furniture or other items, small painting projects, flower or seed planting, or small cleaning projects.

## BOOSTER CLUB

A great opportunity for parents and guardians to help the Monticello athletic program! We meet every 3<sup>rd</sup> Monday of the month at 6:15 in the school cafeteria. All are welcome and you do not have to have a child in sports to join.

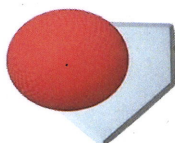

### !Save the Date for Upcoming Booster Club Events!

Spring Fling: May 20<sup>th</sup> (Kickball & Bags Tournament)

Homecoming: July 7<sup>th</sup> - 9<sup>th</sup> (Lemonade Stand & Concession Stand)

Golf Outing: Aug 4<sup>th</sup>

Please feel free to contact [monticelloboosterclub@gmail.com](mailto:monticelloboosterclub@gmail.com) with any questions on these or any other Booster Club events.

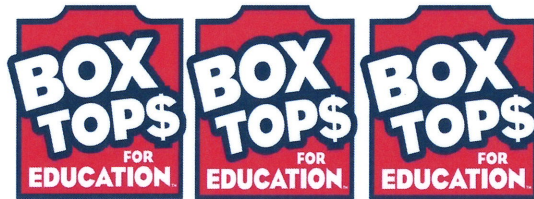

# ORDER YOUR YEARBOOK TODAY!

MS/elementary yearbook orders are due by April 8<sup>th</sup>. They are \$15. Yearbooks can be ordered online by going to [yearbookordercenter.com/index.cfm/job/20670](http://yearbookordercenter.com/index.cfm/job/20670). They will be delivered sometime in May. Extras are not ordered, so if you'd like a yearbook, you will need to order one by the April 8<sup>th</sup> deadline.

If you have any questions about ordering a MS/elementary school yearbook, you can contact Tonia Swinehart at [swineto@monticello.k12.wi.us](mailto:swineto@monticello.k12.wi.us).

High school yearbook orders are due by May 26<sup>th</sup>. They are \$35 (Seniors' are covered through class funds) and can be ordered online at [yearbookordercenter.com/job/20669](http://yearbookordercenter.com/job/20669). They will be delivered sometime in August (that way 2023 spring sports can be included in it). Extras are ordered, but only a limited quantity so please be sure to order yours by the due date (again, unless your child is a Senior, in that case, they will automatically receive one).

Any questions can be directed to Rachel Rufer at [ruferra@monticello.k12.wi.us](mailto:ruferra@monticello.k12.wi.us).

We are collecting Box Tops for our school! You may find them on brands such as General Mills, Pillsbury, Kleenex, Ziploc, Hefty, and Betty Crocker to name a few! Students can turn them into their teacher.

From now until May, scan your receipts for Box Tops using the app, or bring them in to Mrs. Swinehart to scan. The winning M.S. class will earn popcorn and a movie/show.

## POST PROM 2023

We are very excited to again be able to offer a Post Prom event for all Monticello High School students and their guests. As chosen by our junior class, the 2023 Monticello HS Post Prom will be held at Urban Air Adventure Park in Madison following the dance on Saturday, May 6<sup>th</sup>. Students will be spending the night enjoying a Mexican food buffet and enjoying the many activities offered at Urban Air before returning to school for breakfast and door prizes.

Each year as we plan this event, we work with parents, local businesses, organizations and community members to secure funding to provide a safe, fun, and healthy Post Prom for all of the Monticello High School students and their guests. In order to host Post Prom, we depend on monetary and other donations to cover the cost of our main activity (Urban Air rental is \$4500 this year), food, cash for grand door prize winners, extra money to our seniors who have attended Post Prom every year, and other miscellaneous costs.

Please consider making a donation to the **Monticello HS Post Prom**. Any and all donations are appreciated, and there are a couple ways to support the MHS Post Prom:

- Provide a monetary donation. All donors will be acknowledged and recognized in our promotional materials with extra shout-outs to the following as major supporters:
  - **Highest Jumping Donors (\$500 or more)** will receive extra, extra acknowledgement and recognition!!
  - **High Jumping Donors (\$250-\$499)** will receive extra recognition
- Provide a door prize such as gift cards for gas, food, etc... or other items that would be appealing to our high school students
- Volunteer to assist with or chaperone the event

Checks should be made payable to the **Monticello HS Post Prom Committee**, c/o the Monticello Public Schools, 334 South Main Street, Monticello, WI 53570. To ensure that we are able to acknowledge your contribution in promotional materials, please respond no later than **March 13<sup>th</sup>, 2023**. Please include information about how you would like your name to appear on promotional materials with your payment by completing the information on the back of the page.

We thank you in advance for your generous gift. Donations can be mailed to or dropped off at the school district office. If you have any questions about donating to the 2023 Post Prom Party, please contact Carolyn Schwartzlow at [schwacar@monticello.k12.wi.us](mailto:schwacar@monticello.k12.wi.us) or 608-938-2736 or Denise Swanson at [swansde@monticello.k12.wi.us](mailto:swansde@monticello.k12.wi.us) or 608-938-2700.

Sincerely,

The MHS 2023 Post Prom Committee

### PONY PACK INFORMATION

Dear Pony Families,

Monticello School and Green Cares Food Pantry have partnered to support the Pony Pack Program at school.

This program is to provide children with nutritious, easy to prepare food at times when other resources are not available. By opting in, the Pony Pack Program will provide food for your child each Friday afternoon or on the last day before a long weekend or school vacation-at no cost to you. A bag of non-perishable food will be placed in your child's backpack discreetly with the help from a school staff member at the end of the school day. It is for your child to eat over the weekend. We hope that you will find this Pony Pack of non-perishable healthy snacks and staple meal items helpful to your family.

If you have any questions or concerns, please feel free to contact Carolyn Schwartzlow, RN, Monticello School Nurse, at 608-938-2736 or by email at [schwacar@monticello.k12.wi.us](mailto:schwacar@monticello.k12.wi.us)

From: Head Coach Molly Delwiche  
Re: Monticello MS/HS , Track and Field  
3rd Annual Mattress Fundraiser  
Event Date: Sunday, March 26, 2023

On **Sunday, March 26, 2023**, Monticello MS/HS Track and Field is pleased to host, once again, a one of a kind fundraising event. This event has been VERY successful for us, and in school districts all over the country for over 10 years. We are very excited to bring it back to Monticello MS/HS .

We hope this memo acts as a reminder that if you, or anyone you know might be in need of a mattress, please save the date and visit our mobile showroom. *Did you realize 1 in 10 people buy a new mattress every year?* This is the time to buy and **save up to 50% off** retail, all while supporting our program. There will be 20+ sets on display and a team of experts on hand to answer any questions you may have.

**When:** Sunday, March 26, 2023

**Where:** Elmer Lemon Gym

**Time:** 10AM-4:30PM

This is a **no pressure** sale, just stop in and take a look. Even layaway and delivery are available to make it easy on you. It is a pleasure to be able to find a way to help our students while providing cost savings to our community and staff. We appreciate your support of our fundraiser and hope you spread the word to neighbors, family and friends.

Notes

Every fall, a big job of mine is to submit our school’s annual immunization report to the Wisconsin Department of Health Services. This reports to the state our district’s percentage of students who have completed required school vaccines, the number of our students who have immunization waivers on file for various reasons, and the number of students who are behind in childhood vaccinations. Schools have long been trackers of student immunizations, in a well-established and successful partnership with our local and state public health department to ensure our children are up-to-date on state required immunizations.

Recently Wisconsin made some updates to the Wisconsin Student Immunization Law. Here are the new childhood vaccine updates:

**Tdap (Tetanus, diphtheria, and pertussis)**

Before ~ Tdap was required prior to entering 6th grade

Now ~ Tdap will be required prior to entering 7th grade

Why? A tdap booster should be given at 11 years of age. This will eliminate difficulties for families with children who don't turn 11 until the beginning of 7th grade.

**Meningococcal (Bacterial meningitis)**

Before ~ This was not previously a required school immunization.

Now ~ This vaccine will be required for students entering 7th grade and a booster for students entering 12th grade

Why? Many reasons, but most importantly, keeping our children safe from severe disease and preventing outbreaks in our school systems.

**Varicella (chicken pox)**

Before ~ Varicella was already a school required vaccine. Reporting past varicella infection was allowed from parents/guardians.

Now ~ Reporting past infection must come from a qualified healthcare provider.

Why? Chicken pox is highly contagious. This change aligns with other health organizations' recommendations for evidence of varicella immunity.

**What does this mean?**

For our students who will be entering 7th-12th grade this fall ~ Please reach out to your healthcare provider by calling or sending a MyChart message to ask if your child is due for any vaccines and schedule an appointment if needed.

Please let me know if any questions,  
Carolyn, RN

**NEWS by Rachel Rufer**

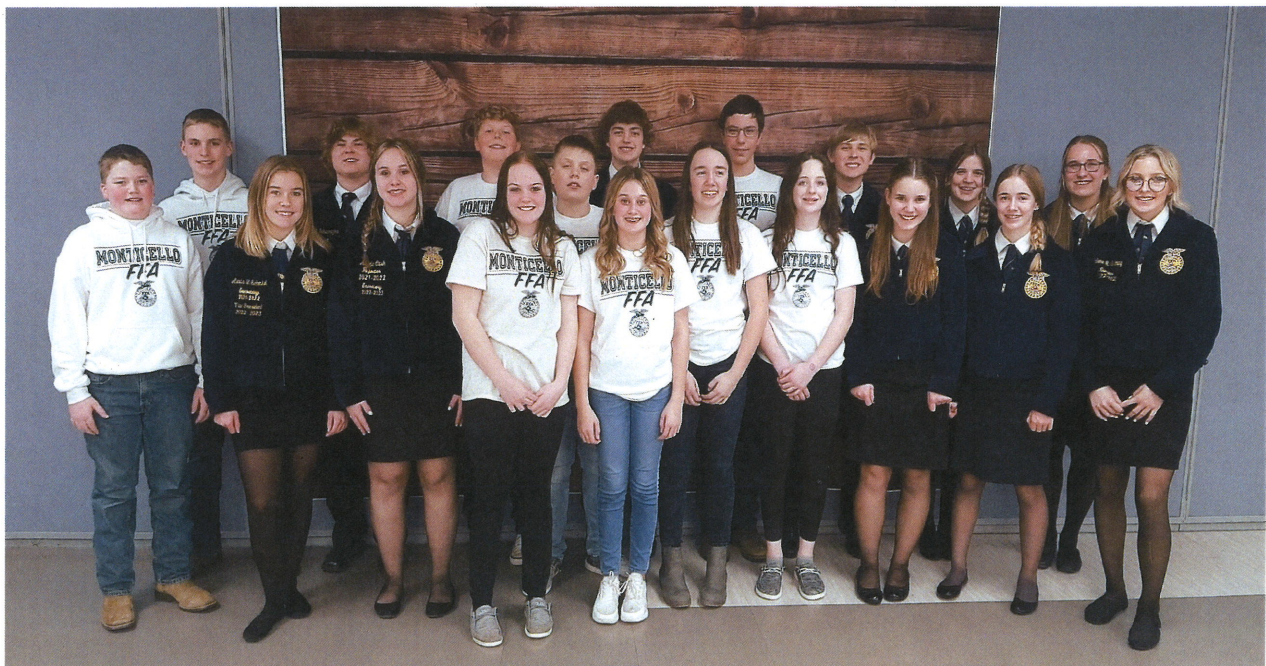

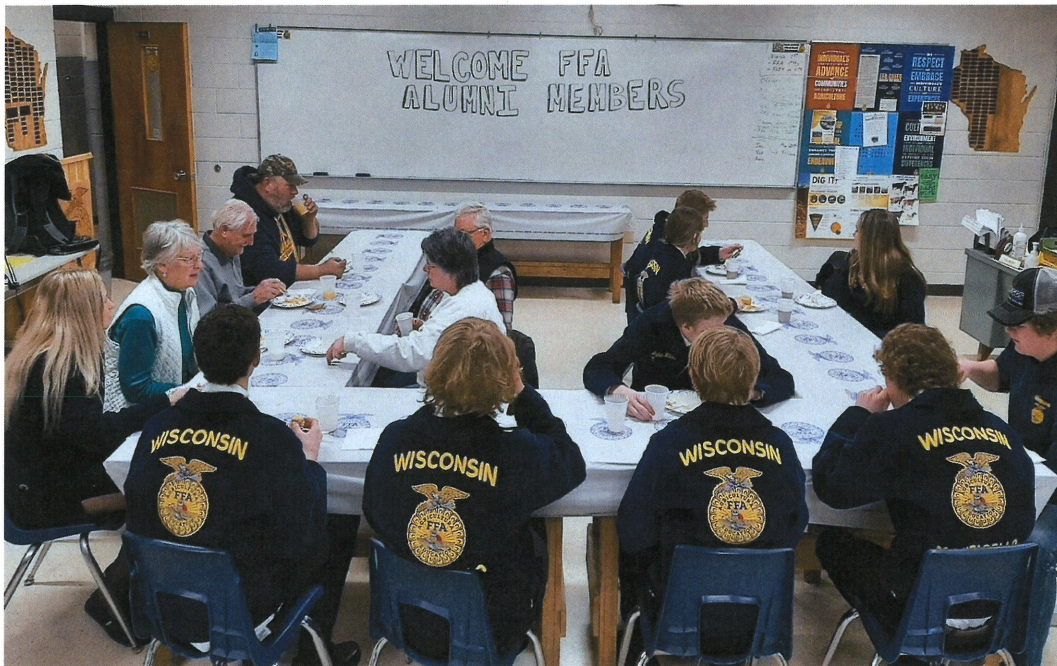

We would like to thank everyone for all of your support over the past month. Wow, the sale of candy bars was amazing. We were almost sold out in the first week this year. I have logged some of the most favored flavors this year and will be ordering accordingly next year. The middle school would also like to thank all of the determined senior citizens that came out for our Senior Citizen Meal. The weather made it very questionable, but we were so excited to see all who were able to come out. You made our day! We can't wait to do it again next year.

# FFA WINTER ACTIVITIES

By Dalana Trumpy, Monticello FFA Reporter 2022-23

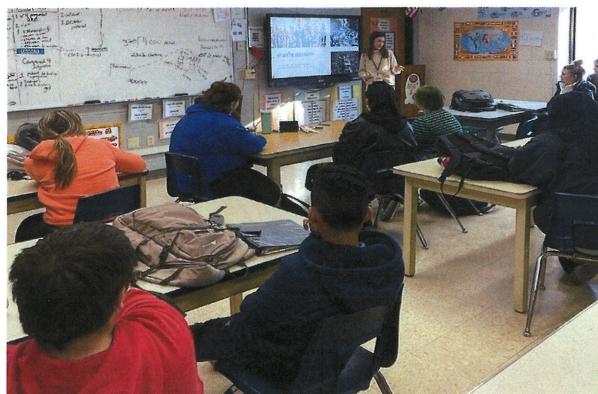

Our FFA Chapter recently celebrated National FFA Week on February 20<sup>th</sup>-24<sup>th</sup>. The week began with milk distribution to every student in the school. Special thanks to Klitzman Seed of Belleville for donating milk again this year! FFA members also provided breakfast to the Monticello FFA Alumni Members in appreciation of their continued financial support. For the first time ever, Monticello FFA members opted to select an area farmer and provide them with a gift basket as a token of appreciation for feeding the world. Through a random selection process, the first annual National FFA Week Honorary Farmer from Monticello was the Don and Marlis Silver farm, also operated by Andy and Jeannie Silver and family. Congratulations to the Silvers and Thank You! Lastly, good luck to the Monticello FFA speakers that will be competing at the Sectional Leadership Development Event in Albany on March 22<sup>nd</sup>. Qualifying for this event are: Ian Schwartzlow (1<sup>st</sup> place, Employment Skills); Ella Salas (1<sup>st</sup> place, Creed), and the 1<sup>st</sup> place Quiz Bowl team of Colt Nyman, Milo Smith, Heidi Olson, Abigail Moore, and Evan Feller.

# SPANISH CLUB NEWS

During the month of February, a group of Argentinian students came to Juda schools to study abroad and learn about the American education system. The chaperone of their group, Maria, spent a few days in Monticello assisting our ESL teacher, Ms. Daniels, as well as attending and helping Ms. Quade in her Spanish classes. She spent time in almost every Spanish class so students got to hear a native speaker as she conducted the class in Spanish and she would discuss life in Argentina. It worked out perfectly because Ms. Quade's Spanish 2 classes were wrapping up a unit all about Argentina, and Maria was so impressed with our students' knowledge about Argentina and how much Spanish they knew, even at the lower levels. She commented that our students' comprehension is high and coming in, she did not expect them to understand much at all. She loved that they knew so much about Argentina and one student even stumped her on a question about the Dirty War in Argentina. She enjoyed answering questions and wanted to make sure we all know who the best soccer player in the world is: Lionel Messi. After class during flex, Maria shared a presentation about sports, food, music, touristy sites, and much more with the entire Spanish Club in mostly all Spanish and the Spanish Club students asked her some thoughtful questions. To show her gratitude for our students' love (and knowledge) of Argentina, she gifted us a bag of mate (an Argentinian infusion, similar to a green tea), which will be shared at our next Spanish Club meeting.

**SCHOOL DISTRICT OF MONTICELLO**  
**Minutes of the Regular School Board Meeting**  
**January 11, 2023**

- I. **Call to Order:** Meeting called to order by Randall Smith at 7:30 p.m. Present: Becky Clark, Tyler Smith, Mike Aquino, Sally Roe, Ron Blumer, and Elise Constantini. Administration: Al Brokopp, Mark Gustafson, Carley Francois, Christina Karlen and Denise Swanson. Audience: None.
- II. **Pledge of Allegiance:** The Pledge of Allegiance was recited by all present.
- III. **Approve Agenda:** Motion by Becky Clark to approve the agenda, seconded by Ron Blumer, motion carried.
- IV. **Communications/Concerns from the Public:** Thank you to the following for their thoughtful and generous donations... Marvin and Darlene Becker for their \$200 donation to the library for books in memory of Ms. Becker's dog, Oblaka; Colony Brands for their \$2000 donation which will go toward our Pony Pack program; and the Becky and Phil Clark family for their \$1000 donation to our 8-Man Football program.
- V. **Faculty Report:** None except 4K pictures were shared and enjoyed by all. **Treasurer's Report:** Tyler Smith reported total expenses of \$584,679.71 and total cash receipts of \$589,334.96 for December. Tyler Smith also gave a summary of the audit report summary. **Food Service Report:** None.
- VI. **Administrative Team Reports: PreK-12 Principal:** Mr. Gustafson reported there is a new end of semester exam schedule this Thursday and Friday for middle school and high school students. He also reported that there is a new writing curriculum the elementary teachers are looking into. Mr. Gustafson stated behaviors are a lot better this year (not as many bus issues/only a couple major playground issues). One possible contributing factor in middle school is the addition of a middle school citizenship grade this year – looking for consistency with students (more than 3 bad ones, they can't do extra-curricular activities). Mr. Gustafson said the high school is doing well, there are not many issues and a lot more has been put into behavior issues this year. He also said Mrs. Francois and the staff are doing an awesome job dealing with any behavior issues. There are 3 new College English course offerings (2 in the first semester and 1 in the second semester) this year through UW Oshkosh. **District Administrator:** Mr. Brokopp reported a Knox Box was purchased. It will hold keys that firemen will be able to grab so if they need to get into the school, they can without causing damage due to not having a key to get in. A 2020 GMC Yukon was purchased with referendum authority to use for school transportation. Six board members will be going to the annual School Board convention in Milwaukee next week. **Director of Pupil Services:** School Psychologist retirement and staff planning with Juda will take place with administration.
- VII. **Approval of Minutes, Payroll and Vouchers:** Motion by Ron Blumer, seconded by Tyler Smith to approve the minutes of the regular board meeting of December 14, 2022 and vouchers 54546-54607 and manual checks #2194-2210 and referendum expenses that were reimbursed for \$293,084.70 in the amount of \$408,434.47 and December payroll in the amount of \$176,245.24.
- VIII. **Old Business:** Motion by Becky Clark to approve the 2023-24 school year calendar, seconded by Mike Aquino. Motion carried. A committee is being put together for Monticello's 8-Man Football and will meet February 1<sup>st</sup> at 6 p.m. A diagram by Tyler Smith was shared to show where the football field could tentatively be in our green space.
