_____ is applying to become a Big Brother/Big Sister and has given us your name as a reference. We'd like you to answer the questions below. We assure you that your answers will be held in confidence. First, here's a little about our program.

- In our School-Based Mentoring Program, high school Big Brothers/Sisters mentor elementary school students. They spend about an hour with their Little Brother or Little Sister each week after school. We all know how young students look up to the older students. This is a personal growth opportunity for high school students while making a positive impact on a younger child.

With this information in mind, please provide the following:

1. How long have you known him/her?
2. Can you tell me about a time that he/she was around a child or children?
3. Do you know of any reason why being a Big Brother/Big Sister may not be the right volunteer experience for him/her?
4. Do you know of any reason why this may not be the right time for him/her to commit to being a Big Brother/Big Sister?
5. What else would you like to tell us about him/her?

We'd like to thank you for your answers. Would you be interested to know more about how you can become involved with Big Brothers Big Sisters? May we send you some information?
