

Voting Methods

0167.00

Voting at Board meetings will normally be by show of hands or by voice vote, unless a roll call vote is required by law or requested. Any Board member may request a roll call vote on any question under discussion.

Unless the statutes specifically provide otherwise, secret ballot votes may be taken only to elect Board officers.

All motions and amendments must be duly seconded, except when not required by Robert's Rules of Order, Revised, and approved by a majority of the Board members present in order to be adopted.
