

**MONTICELLO SUMMER
SCHOOL
REGISTRATION
2017**

★ Pony Enrichment: July 10th-27th
(Monday - Thursday 8:30-11:30am)

★ Pony Prep: August 7th-17th
(Monday – Thursday 8:30-11:30am)

★ Youth Summer Ball Leagues
(T-ball, Coach Pitch, Softball, & Baseball)

Registration due APRIL 7th!

Monticello Summer School Registration 2017

Welcome to the 2017 Monticello Summer School Program! Please check out the many great classes being offered during our two summer school sessions. Though we love to see students every day of summer school, students are welcome to sign up for classes even if unable to make every day due to family vacations or other activities. Come when you can and join the fun!

Monticello School District will be coordinating youth summer ball programming for Monticello students. Information and sign up for our various levels and leagues is included in this packet.

Thank you for supporting our school and our students! Together we can make a positive impact on their learning.

Registration for Pony Enrichment, Pony Prep, and summer ball teams are due April 7th! Registration forms are in the back of this packet.

Pony Enrichment

July 10th-27th

Monday-Thursday

8:30-11:30am

General Information

Our classes during **PONY ENRICHMENT** will run as follows:

Session 1- 8:30-9:30

Session 2- 9:30-10:30

Session 3- 10:30-11:30

- All our summer class offerings are listed with class descriptions.
- Enrollment for Pony Enrichment classes is based on what **grade your child will be entering this fall**.
- Classes will meet and dismiss from the Rehmstedt Gym.
- If you are going to be on vacation or have other commitments during a part of Pony Enrichment, you may still enroll in the activities. Please let the class teacher or office know if your child will be absent. While attendance is taken, we do not call parents if your child is not at summer school for the day. If you wish to be called if your child is absent, please contact the office.
- Please **list your child's top FIVE classes** that they would like to take. Due to our overlapping sessions, we cannot guarantee that your requests can be met for your top 3 choices. We will take your child's requests and place them in a summer schedule that will provide excitement and enrichment.
- Older student's requests will take priority for some classes over younger students.
- We will walk students to and from village swimming lessons during Pony Enrichment. Students **who have registered for swim lessons through the**

village will be having swimming lessons during the 3rd hour of summer school (10:45am-11:15am).

- You will need to register for swimming lessons through the Village of Monticello.

PONY ENRICHMENT CLASS OFFERINGS- July 10-27th

Archery Adventures

Grade 4-12

Mr. Indergand and Mr. Steele

This class will introduce students to the world of archery and is NOT intended for advanced level archery students. Students do NOT need their own equipment but are asked to use equipment provided for them. This class will go above and beyond shooting a bull's eye, but rather will focus on shot placement, varying distances, shooting 3-D targets of common game animals, and the history of the sport of archery and bow hunting.

Advanced Archery

Grade 6-12

Mr. Indergand and Mr. Steele

Students will have their archery abilities challenged during this course with longer shooting distances, varying angles, and smaller shot placement. The advanced class will be taught to students **with their own equipment** and who aspire to hunt with their bow. We will assist with tuning their equipment for accuracy and shooting comfort. Discussions will be held on topics such as different broadhead types, sights, and hunting gadgets. There will be demonstrations on setting up a ladder stand, setting up a hang-on stand, and use of a climbing stand. Emphasis will be on using the proper stand for a given hunting style and safety, safety, safety including proper tree selection, trimming, use of safety ropes, tethers, and safety harness, how to properly mount and dismount an elevated stand, and the proper way to haul equipment aloft into a stand. Students will work at

ground-level on simulations. Adult instructors will demonstrate climbing to ensure no children are involved in falls. Students will be going to Marshall Bluff Bow Hunting Club during many classes.

Beginners Basketball- Boys and Girls

Grade 1-3

Coach Olson

Thinking of giving basketball a try? This class will introduce the fundamentals of the game of basketball. Learn how to improve your skills as a basketball player, teammate, and athlete.

Boys' Intermediate Basketball

Grade 4-6

Coach Olson

Improve your game! We will work on those basketball fundamentals and skills through games and drills designed to make you and your teammate better players!

Boys' Advanced Basketball

Grade 7-12

Coach Olson

Stepping it up a notch! Summer is the time to become a better player! Class time will be spent between individual improvement and team play.

Girls' Intermediate Basketball
Grade 4-6
Coach Gustafson

Improve your game! We will work on those basketball fundamentals and skills through games and drills designed to make you and your teammate better players!

Girls' Advanced Basketball
Grade 7-12
Coach Gustafson

Stepping it up a notch! Summer is the time to become a better player! Class time will be spent between individual improvement and team play.

Volleyball Skills
Grades 7-9
Mrs. Gustafson

Students will learn and practice basic volleyball individual and team skills. Passing, serving, setting, hitting, blocking, diving, digging, tipping, and more! Be ready for bunches of great drills and team games!

Advanced Volleyball
Grades 10-12

Summer is the time to improve your game! Come get some extra volleyball practice!

Early AM Strength and Conditioning (* This class will meet 7:30-8:30am)**

Grade 6-12

Ms. Mentz

The Strength and Conditioning classes offer a great opportunity for students to increase their fitness level by learning and applying different aspects of weight-lifting and conditioning. We will vary our methods from using free weights, resistance bands, medicine balls, and partner workouts/exercises. Throughout this class we will also discuss the aspects of healthy eating, and proper nutrition during training as well as time away from training. We will also create dynamic workout routines for individual students as well as groups of students. Learn to safely use our weight room equipment. Get ready to pump it up!

Strength and Conditioning (Will meet during scheduled summer school hours)

Grade 6-12

Ms. Mentz

We will vary our methods from using free weights, resistance bands, medicine balls, and partner workouts/exercises. Throughout this class we will also discuss the aspects of healthy eating, and proper nutrition during training as well as time away from training. We will also create dynamic workout routines for individual students as well as groups of students. Learn to safely use our weight room equipment. Get ready to pump it up!

Serving Up Nutrition

Grade 6-12

Ms. Mentz

This course is offered to middle and high school students looking to learn more about the foods and nutrition they are putting into their bodies. Are you

wondering what type of foods are good for you before and after a workout? What foods you should be fueling your body with for the rest of the day? Well... come to this class and learn about all the foods that make your workouts count!

Pony Bike and Hike (*This is a two hour class)

Grade 2-6

Ms. Hlubek and Ms. Denise

Join us for a bike and hike adventure around Monticello. We will explore the bike trails and ride to many fun destinations around town. This class promotes physical activity, motor skills, bike safety, and social skills. This class will require students to have a bike and hiking shoes. We will be riding the area bike trails. Bikes can be stored at the school. Students must be able to ride two wheel bikes without the need for training wheels. **HELMETS AND GOOD WALKING SHOES (NO FLIP FLOPS) ARE REQUIRED!!!**

Get Fit with Yoga and Pilates!!

Grade 3-12

Ms. Denise

This class will teach you basic yoga poses and Pilates exercises. We'll not only stretch and strengthen our muscles, but we'll have a fun time doing it!

Golf Fun and More

Grade 4-12

Mr. Gustafson

Basic golf skills and fun games. Work on driving, pitching, and putting. Golf clubs will be provided.

Pony Enrichment Teaching Assistants

Grade 7-12

Hey older students! Like working with kids? We need your help! Be a summer school TA! You will be assigned to help out a summer school instructor! Think camp counselor, garden hand, outdoor games helper, and more! Must be

enthusiastic and a good role model! Let us know on the sign-up form which class you may like to assist with!

Zumba!
Grade 6-8
Ms. Szotkowski

Come dance, move, sweat, and have fun! Upbeat songs will help you have a great workout and dance the day away! New songs every day!!

Zumba!
Grade 9-12
Ms. Szotkowski

Come dance, move, sweat, and have fun! Upbeat songs will help you have a great workout and dance the day away! New songs every day!!

Show Choir
Grade 6-12
Ms. Szotkowski

Love to sing? Love to dance? Want to do them both at the same time? Join the summer school SHOW CHOIR!!!!!! How awesome will this be?!?!?!?

Band Lessons!
Grade 5-12
Mr. Pollock

20 minute band lessons will be offered one time per each summer school week. Students will still be able to participate in 3 summer school classes and take band

lessons. A schedule will be made with each student's lesson date and time. All students who are interested in band lessons will be scheduled.

Who Let the Dogs Out?

Grade 4K-5

Ms. Becker and Ms. Paris

Everybody knows them as man's best friend, but what do our four legged furry friends really do when they go to work. In this class we will act like news hounds while we investigate and even meet some canine workers!!

Intro to Campfire!

Grade 4K-1

Ms. Becker and Ms. Paris

Campfire? We love campfire!! It is Campfire for our littles! Come have lots of fun doing camping crafts, signing camping songs, and playing camping games. And of course enjoying camping treats!

Campfire? We love Campfire!!

Grade 2-5

Ms. Becker and Ms. Paris

In this action packed class, campers will tryout a real summer camp experience. We will explore camp crafts, survival skills, camp games, team building activities, and of course a traditional campfire (marshmallows included!). Every day will bring something new as students get a small taste of what summer camp is all about!

Fairy Tales, Folktales, and Fables, oh my!!!

Grade 1-5

Ms. DeNure

Follow me on the road to exciting adventures! We will bring familiar fairy tales, folktales and fables alive through reading, projects, and activities. Enjoy familiar stories come alive through fun, exciting projects! We will also read and watch different versions of each classic. (Ruby slippers not necessary)

Dinosaur Discovery

Grades 4K-3

Ms. Gobel and Mrs. Thoman

T-Rex, Stegosaurus, Brontosaurus, Pterodactyls, Triceratops, oh my! Are you interested in learning more about these amazing creatures? Then this mini unit is for you! For each class we will read and discuss a nonfiction book about dinosaurs! Then, we will work on a connected craft. Do you want to make dinosaur snot? How about learning the Dinosaur Stomp? Creating fossils and bubble wrap dinosaur skin are also planned! Come join us for a dino-riffic time!

Awesome Science!!!

Grade 4K-2

Ms. Gobel and Mrs. Thoman

What happens if...? This is a question that drives scientists of all ages! The students will perform hands-on experiments to answer new questions everyday. Fun, inquiry-based activities will focus the students' desire to explore their natural worlds while developing their thinking and reasoning skills. Students will learn the scientific process through teacher and student led experiments.

Summer Science and STEM fun!

Grade 3-5

Ms. Shares and Ms. DeNure

Get thinking like a scientist or an engineer! Learn about and enjoy science, technology, engineering, and math through fun experiments and activities that will challenge your mind and make you a better problem solver!

Choose Health! Food, Fun, and Fitness

Grade 3-6

Mrs. Brokopp and Lisa Messer, Green County Nutrition Educator

is an award-winning, comprehensive nutrition and fitness curriculum. Developed by Cornell University's Division of Nutritional Sciences in collaboration with Cornell Cooperative Extension's 4-H Youth Development Program, CHFFF uses experiential learning to teach healthy eating and active play, targeting behaviors research shows to be most important for preventing childhood obesity and chronic disease. Topics include replacing sweetened drinks with low-fat milk and water, eating more vegetables, fruits, and whole grains, eating fewer high-fat and high-sugar foods, and playing actively 60 minutes a day.

Camping 101

Grades 5-8

Nurse Carolyn and Mrs. Brokopp

Who doesn't like to go camping? We will learn about basic camping skill like pitching a tent, starting a fire, preparing traditional camping foods, playing camping games, hiking, canoeing, fishing, and more! We will also be planning our own one night camping adventure!

Fuel Up with Breakfast!

Grades 3-5
Nurse Carolyn

Let's talk breakfast foods! Students will select recipes, shop for ingredients, and do the cooking. We will talk about what breakfast foods make great "fuel" for us, learn about food labels, and explore where our food comes from, including actually visiting a local dairy farm.

Adventures in Gardening: Get Your Hands Dirty!
Grade 4K-2
Ms. Paula

Come learn all about both vegetable and flower gardening including selecting seeds and plants, the plant growth cycle, maintaining healthy plants, weed recognition and removal, soil conditions, harvesting, and more! There will be plenty of hands on gardening in our new school garden in addition to fun walking field trips to explore other community gardens, making garden art projects, growing a worm farm, and planning and planting a fairy garden! And more! Gardens are living laboratories! And it is fun to get your hands dirty!

Outdoor Games

Grade 4K-2

Summer School Staff

This class is for students who enjoy playing outdoor games as a group. We will play games such as Capture the Flag; Steal the Sticks, Frisbee, Soccer, etc. This will give students the chance to be outside and take part in physical fitness. We will focus on sportsmanship, friendship, and cooperation. Students will work together to have a fun time. This is a nice alternative to being inside playing video games!

Games, Puzzles, and Cards - What fun!

Grade 4K-2

Ms. Gobel and Mrs. Thoman

Board games are so much fun! Candyland, Chutes and Ladders, Memory, Sorry, and more! Challenge yourself with a puzzle! Play some cards like Go Fish, Uno, and Crazy 8's! Have fun and use your brain at the same time!!

Games, Puzzles, and Cards - What fun!

Grades 3-5

Ms. Gordiner and Ms. Shares

Put together puzzles and play some board games like Monopoly, Clue, Scrabble, Outburst, Pictionary, and more! Have fun and use your brain at the same time!!!

Games, Puzzles, and Cards - What fun!

Grades 6-12

Ms. Gordiner and Ms. Shares

Challenge yourself! Did you know playing games can boost your mental power? Checkers, Chests, Scattergories, Monopoly, Life, Euchre..... Have fun and use your brain at the same time!

The Creative Art Room
Grade K4-3
Mrs. Dahnke

Students will create multiple fun projects using a variety of media. We will let our imaginations run wild and make some cool creatures and designs out of paper, model magic, cardboard, paper mache, yarn and fabrics. Join us to make some fun art to take home over the summer!

The Creative Art Room
Grade 4-8
Mrs. Dahnke

Students will create 2 and 3 dimensional projects to take home using a variety of media. We can work on sketching first and then building what we sketch next. We'll build using model magic, containers, cardboard, paper mache/plaster and clay. We can add fabrics if the creation calls for it. Using the pottery wheels will be a possibility in this fun class, too. Come join us over the summer!

Art Room Makeover
Grade 6-12
Mrs. Dahnke

Let's revamp the art room! We will be painting murals, quotes, stools and tables to make the art room even more inviting for everyone. We might do a few little projects around the school, too. Come and have fun revamping the art space.

Pony Prep

August 7-17th
Monday-Thursday
8:30-11:30am

General Information

- Enrollment for Pony Prep is based on what **grade your child will be entering this fall.**
- Classes will meet and dismiss from the Rehmstedt Gym.
- If you are going to be on vacation during a part of Pony Prep, you may still enroll in the activities. Come when able! Please let the class teacher or office know if your child will be absent.
- The following classes are available to get "prepped" for back to school:

4K- Readiness

Kindergarten Readiness

1st Grade Basics

2nd Grade Basics

3rd Grade Prep

4th Grade Prep

5th and 6th Grade Prep

7th and 8th Grade Prep

Youth Summer Ball Programming

General information:

- Monticello Schools will be coordinating youth summer ball programming in Monticello.
- Ball sign up is done by **CURRENT** school grade.
- All students participating in summer ball will receive a team t-shirt or jersey and/or a hat.
- There is no fee to participate in youth ball programs for Monticello students.
- Parents will be asked to help in concession stands during home games. Sign up will be available in mid May.
- In the event of a weather related cancellation due to excessive rain, lightning, or extreme heat, parents will be notified via email and text message.
- Please see below for specific information regarding each summer ball program and/or team/level.

- Specific team calendars with practice and game schedules will be handed out in early May.

Youth Summer Ball Offerings:

Rookie T-Ball

Boys and Girls current grades 4K-5K

June 1st-July 13th

T-ball will introduce our youngest student athletes to basic baseball/softball skills of throwing, catching, hitting off a tee, and base running. Practices will be held on Thursday nights 5:30-6:30 at the school baseball diamond. One to two games will be organized. T-ball will utilize a rubber ball. All players must have a glove with their name on it. Bats and batting helmets will be supplied.

Minor League Coach Pitch

Boys and Girls current grades 1st-2nd

***2nd grade girls also have the option of playing Cadet softball**

June 1st- July 13th

Coach pitch will build on skills learned in T-ball including catching, throwing, and base running. Players will now hit a ball thrown by coaches. Practices will be held on Thursday nights 6:30-7:30 at the school baseball diamond. One to two games will be organized. Coach pitch will utilize a rubber ball. All players must have a glove with their name on it. Bats and batting helmets will be supplied.

Cadet League Girls Softball

Girls current grades 2nd-3rd

***2nd grade girls also have the option of playing Minor League Coach Pitch**

Mid May- Early August

Introductory level girls softball team that will play in the Monroe Girls Softball League. This is coach pitch softball. Games will be held on Monday nights in surrounding communities and at home. Practices will be held on Wednesday nights- time TBD.

--

Junior League Girls Softball

Girls current grades 4th-5th

Mid May-Early August

Next level girls softball team that will play in the Monroe Girls Softball League. Games will be held on Monday nights in surrounding communities and at home. Practices will be held on Wednesday nights- time TBD.

--

Senior League Girls Softball
Girls current grades 6th-8th
Mid May-Early August

Advancing level of girls softball that will play in the Monroe Girls Softball League. Games will be held on Monday nights in surrounding communities and at home. Practices will be held on Wednesday nights- time TBD.

Grade 3 and 4 Boys Baseball
Boys current grades 3rd and 4th
Mid May-Mid July

Traditional Little League baseball introductory level. Team will have games on Mondays and Thursday nights at 5:30. Games will be both home and away at surrounding towns. Practices will be held on Tuesday nights. All practices and home games will be held at Village Park field.

--

Grade 5 and 6 Boys Baseball
Boys current grades 5th and 6th
Mid May-Mid July

Next level Little League baseball. Team will have games on Mondays and Thursday nights at 7:00. Games will be both home and away at surrounding towns. Practices will be held on Tuesday nights. All practices and home games will be held at Village Park field.

Grade 7 Baseball
Boys current grade 7
Mid May-Mid July

Games will be held Tuesdays and Friday nights at 5:30. Games will be both home and away at surrounding towns. Practices will be held on Monday nights. All practices and home games will be held at the school field.

Grade 8 Baseball
Boys current grade 8
Mid May-Mid July

Games will be held Tuesdays and Friday nights at 7:00. Games will be both home and away at surrounding towns. Practices will be held on Monday nights. All practices and home games will be held at the school field.

Sportsmanship & Fair Play

All of our classes, activities, and teams require a great deal of cooperation from everyone involved. Rules for the classes and activities will be established and must be followed by all participants. For those participants who do not follow the rules, reprimands will be given on the first offense, and your child may be asked to sit out of the class, activity, practice, or game for the day. If there is a second offense, the child will be permanently removed for the remainder of the program.

★ Please fill out the registration forms on the next pages. Be sure to fill out a registration form for each student.

★We look forward to seeing your children this summer!

★Questions, please contact school at 938-4194.

Registration forms are due APRIL 7th!!!!!!
